

## EC Type-Examination (Module B)

Directive for Marine Equipment

Certificate No.: **DK-0200-MarED-211 version 7**

Issued by FORCE Certification A/S - EC-notified body number 0200

This is to certify that:

FORCE Certification A/S did undertake the relevant type approval procedures for the equipment identified below which was found to be in compliance with the Life Saving Appliance requirements of Marine Equipment Directive (MED) 2014/90/EU subject to any conditions in the schedule attached hereto.

Applicant and  
Manufacturer: **Thanner A/S**  
**Randersvej 8-10**  
**DK-6700 Esbjerg**  
**Denmark**

Identification of Marine Equipment:

Annex 1.A Item: A.1/1.16 Float-free arrangements for life-rafts (hydrostatic release units)  
(Directive (EU) 2015/559)

Product Type: **Hydrostatic Release Units**

Product Designation: DK2011 according to assembly drawing & parts list No. 86-042, mod. G, dated 2017-02-17 and No. 86-044, mod. F, dated 2015-11-15 for 30 months respectively 4 years service time after installation

Restrictions: Service life 30 months or 4 years

Specified Standard(s): IMO Res. MSC.81(70) and IMO Res. MSC.48(66)

The examined samples are found to fulfil the requirements stated in:

The International Testing Standard IMO Res. MSC.81(70) and the applicable reg. SOLAS 74 as amended, where the relevant requirements are specified in ANNEX A.1, item A.1/1.16 A.1 of The Directive (EU/2015/559).

This certificate is also issued under MRA between EU and USA. An U.S. Coast Guard approval number will be assigned to the equipment when the production module has been completed and will appear on the production module certificate (module D, E or F), as allowed by "Corrigendum to Council Decision 2004/425/EC of 21 April 2004 on the conclusion of an Agreement between the European Community and the United States of America on the mutual recognition of certificates of conformity for marine equipment" signed 2004/425/EC of 21<sup>st</sup> April 2004.

Documentation for observance of relevant requirements stated in ANNEX II (Module B) of the Directive and the basis for the type examination are described in the appendix to this certificate.

*This certificate will remain valid unless cancelled or revoked, provided the conditions in the attached appendix are complied with and the equipment remains satisfactory in service.*

*The certificate will not be valid if the manufacturer makes any changes or modifications to the approved equipment, which have not been notified to, and agreed with the notified body named on this certificate.*

*Should the specified regulations or standards be amended during the validity of this certificate, the product(s) is/are to be reapproved prior to it/they being placed on board vessels to which the amended regulations or standards apply.*

*This new version of EC-Type Examination Certificate DK-0200-MarED-211 version 6 dated 2017-02-03 is issued due to addition of 30 months version. The previous certificate is still valid.*

## Documentation for observance of the relevant requirements:

Test House	File No.	Testing/Inspection of:
FORCE Technology	113-21165	Type examination and testing
FORCE Certification A/S	DK-0200-MarED-110 rev.1	Alternative weak link

### Partial conclusion:

The devices designated DK2011 is found to fulfil the requirements in The International Testing Standard IMO Res. MSC.81(70) and the applicable reg. SOLAS 74 as amended, where the relevant requirements are specified in ANNEX A.1, item A.1/1.16 of the Directive (EU/2015/559), as well as the requirements in ANNEX II (Module B) of the Directive.

The following documentation was available:

- Submitted documentation:
- Manufacturer's instructions No. 86-049A, mod. A, dated 2013-05-27 for service life 4 years.
  - Manufacturer's installations No. 86-049, dated 2017-02-17 for 30 months and 4 years service life
  - The mentioned drawings
  - Complete set of drawings
  - List with subcontractors
  - Above mentioned type test and examination reports and quality audit reports

Description of quality management system:

MarED-QA-209 by FORCE Certification A/S

Quality audits:

FORCE Institute, year 2000 and 2001,  
FORCE Technology, year 2002 through 2007  
FORCE Certification year 2008, 2010, 2011, 2012, 2013, 2014, 2015 and 2016

USCG:

This products has previously been approved under USCG numbers 160.162/2/1 and 160.062/4/1 and marked accordingly. By agreement between USCG, Thanner A/S and FORCE Certification A/S this approval has now been transferred to stated Type Examination Certificate.

## Conclusion

Based on the above mentioned attestation it can be concluded that the Hydrostatic Release Units designated DK2011 meets the conditions of EC type-examination in accordance with the Marine Equipment Directive (MED) 2014/90/EU.
